

PRIVATE SECTOR SOFTWOOD REMOVALS SURVEY

Unique reference number: <ref>

1. Please provide the quantity of softwood roundwood your company harvested from Private Sector estates during 2017 and 2018.

These figures should include only roundwood harvested from the **private sector** – i.e. estates other than the Forestry Commission, Natural Resources Wales, or (in Northern Ireland) the Forest Service. Please include only timber felled by your own company and sub-contractors. Do not include timber you have sold standing to another party. (2017 data can be left blank if there is no change from the figures submitted last year).

2. TOTAL Woody Material Harvested 2018

Current published forestry statistics show a difference between removals and consumption of roundwood. In order to help identify the source of this discrepancy, please estimate the approximate breakdown of woody material harvested by origin, below.

*Other refers to material other than stemwood & bark (e.g. brash and stumps), please specify type of material if harvested.
