

Pre-release Access to Official Statistics:

Public Opinion of Forestry: Scotland

Last updated:

July 2021

Next update due:

July 2023 (to be confirmed)

Forest Research is the Research Agency of the Forestry Commission and is the leading UK organisation engaged in forestry and tree related research.

The Agency aims to support and enhance forestry and its role in sustainable development by providing innovative, high quality scientific research, technical support and consultancy services.

Introduction

Our arrangements for pre-release access to Official Statistics are described in a Pre-Release Access Statement .

This document supplements the statement by giving the names and/or job titles of all those persons to whom pre-release access has been granted to Public Opinion of Forestry: Scotland, as follows:

- Part 1 provides a list of those receiving pre-release access to the Official Statistics in their final form for briefing purposes. As this is a release covering Scotland, the pre-release access period is up to 5 days.
- Part 2 provides a list of those receiving pre-release access for quality assurance purposes.

The justification for giving advance access to each listed recipient will be available on request.
