

Table 1	Page 1	Q.1 You may have heard about Northern Ireland's forests and woodlands in the media (including tv, radio, newspapers, internet, social media etc). Which of these topics have you heard about in the last 12 months? Base: All Adults 16+
Table 2	Page 9	Q.2 In Northern Ireland public money is given to support forestry and the planting and management of all types and sizes of forests and woodlands, because it is believed to be of public benefit. Which of these are good reasons to support forestry in this way? Base: All Adults 16+
Table 3	Page 17	Q.3 Do you agree or disagree with these statements about the ways in which forests and woodlands in Northern Ireland can impact on climate change?: Summary Base: All Adults 16+
Table 4	Page 18	Q.3a Do you agree or disagree with this statement about the ways in which forests and woodlands in Northern Ireland can impact on climate change?: Trees are good because they remove carbon dioxide from the atmosphere and store it in wood Base: All Adults 16+
Table 5	Page 24	Q.3b Do you agree or disagree with this statement about the ways in which forests and woodlands in Northern Ireland can impact on climate change?: Cutting down forests and woodlands makes climate change worse, even if they are replanted Base: All Adults 16+
Table 6	Page 30	Q.3c Do you agree or disagree with this statement about the ways in which forests and woodlands in Northern Ireland can impact on climate change?: Using wood for fuel is better for climate change than using fuels such as coal and gas Base: All Adults 16+
Table 7	Page 36	Q.3d Do you agree or disagree with this statement about the ways in which forests and woodlands in Northern Ireland can impact on climate change?: Using wood for fuel makes climate change worse because it releases carbon dioxide Base: All Adults 16+
Table 8	Page 42	Q.3e Do you agree or disagree with this statement about the ways in which forests and woodlands in Northern Ireland can impact on climate change?: Using wood for building is better for climate change than using materials such as concrete and steel Base: All Adults 16+
Table 9	Page 48	Q.3f Do you agree or disagree with this statement about the ways in which forests and woodlands in Northern Ireland can impact on climate change?: Northern Ireland could offset all its greenhouse gas emissions by planting more trees Base: All Adults 16+
Table 10	Page 54	Q.4 Do you agree or disagree with these statements regarding how Northern Ireland's forests and woodlands should be managed in response to the threat of climate change?: Summary Base: All Adults 16+
Table 11	Page 55	Q.4a Do you agree or disagree with this statement regarding how Northern Ireland's forests and woodlands should be managed in response to the threat of climate change?: A lot more trees should be planted Base: All Adults 16+
Table 12	Page 61	Q.4b Do you agree or disagree with this statement regarding how Northern Ireland's forests and woodlands should be managed in response to the threat of climate change?: Different types of trees should be planted that will be more suited to future climates Base: All Adults 16+

Table 13	Page 67	Q.4c Do you agree or disagree with this statement regarding how Northern Ireland's forests and woodlands should be managed in response to the threat of climate change?: More information should be provided about the ways in which forests and woodlands can lessen our impact on the environment Base: All Adults 16+
Table 14	Page 73	Q.5 Which of these do you think are acceptable reasons for cutting down trees? Base: All Adults 16+
Table 15	Page 79	Q.6 Would you like to have more or less forests and woodlands in your part of Northern Ireland? Base: All Adults 16+
Table 16	Page 85	Q.7 Where do you think new forests and woodlands should be created? Base: All who would like to have more forests and woodlands
Table 17	Page 88	Q.8 In the last few years, have you visited forests or woodlands for walks, picnics or other recreation? Base: All Adults 16+
Table 18	Page 91	Q.9 On average how often did you visit forests or woodlands last summer, i.e. between April and September 2013? Base: All who have visited forests or woodlands for walks, picnics or other recreation
Table 19	Page 94	Q.10 And how often this winter, i.e. since October 2013? Base: All who have visited forests or woodlands for walks, picnics or other recreation
Table 20	Page 97	Q.11 Do you usually visit forests... Base: All who have visited forests or woodlands for walks, picnics or other recreation
Table 21	Page 100	Q.12 If you usually visit forests with other people is it normally with ... Base: All who usually visit forests with other people
Table 22	Page 103	Q.13 What is the name of the last forest or woodland you visited? Base: All who have visited forests or woodlands for walks, picnics or other recreation
Table 23	Page 140	Q.14 During your most recent visit, was your enjoyment reduced by any of these? Base: All who have visited forests or woodlands for walks, picnics or other recreation
Table 24	Page 146	Q.15 In general, which aspects of health and wellbeing do you feel benefit from visiting forests and woodlands? Base: All who have visited forests or woodlands for walks, picnics or other recreation
Table 25	Page 149	Q.16 When you visit forests or woodlands, what physical activities do you usually take part in? Base: All who have visited forests or woodlands for walks, picnics or other recreation
Table 26	Page 155	Q.17 When you visit a forest, how often do you walk for an hour or more at a time? Base: All who have visited forests or woodlands for walks, picnics or other recreation
Table 27	Page 158	Q.18 When taking a long walk of one hour or more, which of these settings do you prefer?: Summary Base: All who take a long walk of one hour or more
Table 28	Page 159	Q.18 When taking a long walk of one hour or more, which of these settings do you prefer? (net) Base: All who take a long walk of one hour or more
Table 29	Page 162	Q.18 When taking a long walk of one hour or more, which of these settings do you prefer? Ranked 1st Base: All who take a long walk of one hour or more

Table 30	Page 165	Q.18 When taking a long walk of one hour or more, which of these settings do you prefer? Ranked 2nd Base: All who take a long walk of one hour or more and giving rank
Table 31	Page 168	Q.18 When taking a long walk of one hour or more, which of these settings do you prefer? Ranked 3rd Base: All who take a long walk of one hour or more and giving rank
Table 32	Page 171	Q.18 When taking a long walk of one hour or more, which of these settings do you prefer? Ranked 4th Base: All who take a long walk of one hour or more and giving rank
Table 33	Page 174	Q.18 When taking a long walk of one hour or more, which of these settings do you prefer? Ranked 5th Base: All who take a long walk of one hour or more and giving rank
Table 34	Page 177	Q.19 Are you aware of the advice to help prevent the spread of tree pests and diseases? Base: All who have visited forests or woodlands for walks, picnics or other recreation
Table 35	Page 180	Q.20 The advice includes keeping to forest roads, keeping dogs on leads and removing all soil and mud from boots and shoes before visiting other forests or woodlands. Thinking back to your last visit to a forest or woodland, what more should we do to help prevent the spread of tree diseases and pests? Base: All who have visited forests or woodlands for walks, picnics or other recreation
Table 36	Page 183	Q.21 What was the main reason that you did not visit a forest or woodland? Base: All who have not visited forests or woodlands for walks, picnics or other recreation
Table 37	Page 189	Q.22 Did you know that Forest Service consults on the management of your local Forest Service forest? Base: All Adults 16+
Table 38	Page 192	Q.23 Would you like to be consulted on the management of your local Forest Service forest? Base: All Adults 16+
Table 39	Page 195	Q.24 Which issues would you like to be consulted on? Base: All who would like to be consulted on the management of the local Forest Service forest
Table 40	Page 201	Q.25 Do you use wood as a fuel in your home? Base: All Adults 16+
Table 41	Page 204	Q.26 What is the main reason that you use wood for fuel? Base: All who use wood as a fuel
Table 42	Page 207	Q.27 What form of wood fuel do you use? Base: All who use wood as a fuel
Table 43	Page 210	Q.28 Are your day to day activities limited because of a health problem or disability which has lasted, or is expected to last 12 months? Base: All Adults 16+
Table 44	Page 213	Q.29 Do you have any of these conditions, which have lasted, or are expected to last, at least 12 months? Base: All whose day to day activities are limited because of a health problem or disability
Table 45	Page 218	Q.30 Does your condition affect your use of forests? Base: All whose day to day activities are limited because of a health problem or disability

Table 46 Page 221 Analysis of Sample
Base: All Adults 16+

Q.1 You may have heard about Northern Ireland's forests and woodlands in the media (including tv, radio, newspapers, internet, social media etc). Which of these topics have you heard about in the last 12 months?

Q.20 The advice includes keeping to forest roads, keeping dogs on leads and removing all soil and mud from boots and shoes before visiting other forests or woodlands. Thinking back to your last visit to a forest or woodland, what more should we do to help prevent the spread of tree diseases and pests?

Base : All who have visited forests or woodlands for walks, picnics or other recreation
